

Preface

The seventh West Coast Conference on Formal Linguistics (WCCFL 7) was hosted by the Cognitive Science Department and the Linguistics Program at the University of California in Irvine from February 26 to February 28, 1988. Thirty-five papers were presented on diverse topics, including semantics, phonology, and syntax, as well as language acquisition and parsing. Twenty-eight of these papers are printed in this volume. Not included are papers presented by Lee Bickmore, Ewa Czawkowski-Higgins, Mark Johnson, Juliette Levin, Elaine McNulty, William Poser, and Juan Uriagereka and Stan Vikner.

Special thanks go to Mary-Louise Kean and Robert May, whose skillfull organization made the conference possible. WCCFL 7 was supported by generous grants from the UC Irvine School of Humanities, the School of Social Sciences, The Office of Research, Irvine Campus, and the Sloan Foundation. Finally, thanks to Pat Adams, Betty Simmes and Barbara Kupferberg for assisting with many of the details of the conference and with the preparation of this volume.
